

Navigator Puffer Vest

ref no. CMJV0424N

men's

Stay warm and stylish with the Men's Navigator Puffer Vest, designed for comfort and protection in cooler months. Featuring a practical stand-up collar, it avoids the bulk of a hood. This vest utilizes advanced materials like SilverCell lining for warmth, a DWR finish for water resistance, and lightweight HEATech LITE insulation. Ideal for everyday wear, it offers a sleek look and functional versatility for urban and casual outings. The vest provides excellent body warmth while allowing free arm movement, making it perfect for layering over other garments or as a midlayer under a jacket.

Key Features:

- **Lightweight and warm design:** Crafted with HEATech LITE synthetic insulation, the Navigator Puffer Vest offers cozy warmth without the bulk, making it perfect for everyday wear in cooler temperatures.
- **Heat-reflective lining for added comfort:** The innovative SilverCell lining features heat-reflective properties that retain body heat, providing an extra layer of warmth and comfort without adding bulk.
- **Everyday weather resilience:** The DWR finish on the vest's exterior ensures that water beads off, offering reliable protection against light rain and moisture, keeping you dry and comfortable.
- **Contemporary sport-casual appeal:** Featuring a modern design with clean lines and a sleek silhouette, the vest combines sporty elements with casual style, making it versatile for various settings.
- **Functional details:** Featuring practical pockets, including secure front pockets and an interior pocket, your essentials stay within reach. The adjustable hem and thoughtful design enhance convenience and usability. Its sleeveless design allows free arm movement, making it ideal for layering and active wear.
- **Discreet branding:** Each vest is adorned with subtle Castrol logos, reflecting a commitment to quality and understated sophistication. The branding complements the jacket's modern look without being overpowering.
- **All-round wearability:** Whether navigating the city or enjoying casual outings, the Navigator Puffer Vest's versatile design makes it a perfect addition to any wardrobe. Its stylish yet functional features make it suitable for various occasions and settings.
- **Ideal for layering:** Designed to be worn both over other garments for added warmth without restricting movement or under a jacket as a midlayer for extra insulation. For wearing as a midlayer without restricting movement, please make sure to choose a tighter fit.

Sizing and Fit:

Designed for a little tighter regular fit, the Navigator Jacket allows for comfortable layering while maintaining a sleek modern profile. The lightweight construction and tailored fit ensure ease of movement, making it perfect for both everyday wear and casual activities.

Care Instructions:

To preserve the fabric's integrity and weather protection, follow these guidelines:

Spot clean with warm water and mild detergent. Machine wash gently at 30°C. Avoid fabric softener. Do not tumble dry, bleach, or dry clean. Hang to dry in shade. Do not iron.

The DWR finish may wear off over time and after multiple washes; reapply as needed using available products, following the packaging instructions.
